

[Intro]

The feelings I caught, the time that I lost
("I'm-ma-ma out my mind")
Said it's tough looking back when I thought what I thought
("I'm-ma-ma out my mind")

[Verse 1]

She'll make you curse, but she a blessing
She'll rip your shirt within a second
You'll be coming back, back for seconds
With your plate, you just can't help it

Yeah, I feel ashamed, embarrassed with rage
So I bloody the rain on your pity parade

[Pre-Chorus]

"Yes, yes, yes," 'cause she messin' with your head

[Chorus]

So cry, cry, cry I don't need you in my life
Need you in my life, no
("I'm-ma-ma out my mind")
So cry, cry, cry you don't even have to try
Don't even have to try
("I'm-ma-ma out my mind")

Grab a cop gun kinda crazy
She's poison but tasty
Yeah, people say, "Run, don't walk away"

So cry, cry, cry you don't even have to try
Don't even have to try

She screamin', "I'm-ma-ma out my mind"

[Verse 2]

See, someone said, "Don't drink her potions
She'll kiss your neck with no emotion
When she's mean, you know you love it
She tastes so sweet, don't sugarcoat it"

Say I feel afraid, 'cause your crazy's for days
You said he wasn't me and it don't mean a thing

[Pre-Chorus]

"Yes, yes, yes," 'cause she messin' with your head

[Chorus]

Oh, she's sweet but a psycho
A little bit psycho
At night she's screamin', "I'm-ma-ma-ma out my mind"
Oh, she's hot but a psycho
So left but she's right though
At night she's screamin', "I'm-ma-ma-ma out my mind"

[Chorus 2]

*So cry, cry, cry I don't need you in my life
Need you in my life, no
So cry, cry, cry you don't even have to try
Don't even have to try*

"I'm-ma-ma-ma out my mind"

[Bridge 1]

I didn't know you were a sociopath

[Bridge 2]

You're just like me, you're out your mind
I know it's strange, we're both the crazy kind
You're tellin' me that I'm insane

I didn't know you were a sociopath

[Chorus]

Oh, she's sweet but a psycho
A little bit psycho
At night she's screamin', "I'm-ma-ma-ma out my mind"
Oh, she's hot but a psycho
So left but she's right though
I didn't know you were a sociopath

Grab a cop gun kinda crazy
She's poison but tasty
Yeah, people say, "Run, don't walk away"

'Cause she's sweet but a psycho
A little bit psycho
At night she screamin', "I'm-ma-ma-ma out my mind"
